

Why Should I Become a BCA PTA Officer? 2009-2010 School Year

Many parents hesitate at the thought of becoming a PTA Officer on the Board of Directors. "I've never served on a PTA board before." "It takes so much time!" "I don't know much about the role of the PTA." "There's only work--no benefits!"

Fear no more! We hope you will read the following points and consider serving as a BCA PTA Officer for the 2009-2010 school year.

You will not be alone!

Many of the current BCA PTA Board Members and parent volunteers are returning to BCA next year. This means that you will have a built-in group of dedicated and experienced volunteers at your service. You will always have someone to ask if you have any questions.

Your time will be well spent!

As an Officer, you determine the amount of time required to achieve your goals. The BCA PTA Board has worked hard the past six years to provide the infrastructure needed to run an efficient and successful organization. We can pass along the forms, correspondence, and processes we have devised, along with the experience to improve them. Our treasury is in good shape, too, so you will have the finances available to choose some fun new programs.

Your child learns by watching you!

Volunteering, community service, school involvement, building relationships with teachers and other parents: Your child will appreciate seeing you in action and experiencing the results at school.

BCA PTA Nominating Committee

The BCA PTA Nominating Committee is looking to fill four positions on the BCA PTA Board of Directors for the 2009-2010 school year:

President
Vice President
Secretary
Treasurer

We hope you will add your unique talents to BCA PTA! Please return this form to the front office by *Friday, May 1*.
